WORK EXPERIENCE

PROGRAMMER ANALYST

Argusoft India Pvt. Ltd. July 2023 - Dec 2024

As an Android Developer, contributed to the development of MedPlat, a health tech platform serving users across India and internationally. Designed and implemented robust, user-centric features using Java and XML, ensuring high performance and scalability for a large and diverse user base. Collaborated with cross-functional teams to deliver tailored solutions, integrate key requirements, and optimize application efficiency. Drove continuous improvement in the platform's functionality by adopting innovative development practices and ensuring seamless integration of new features.
