Profile

I am a Software Engineer with over 5 years of experience specializing in MEAN stack development. I excel in creating scalable, user-friendly, and visually appealing web solutions. Skilled in collaborating with clients to meet requirements and deliver high-quality results within deadlines. My expertise spans problem-solving, workflow automation, and process optimization.

Skills

- **Web Development:** Angular, Node.js, MEAN Stack, Frontend Technologies
- **Cloud Computing:** AWS
- **Databases:** MongoDB, MySQL, PostgreSQL
- **Other:** Agile Methodologies, Code Optimization, Customer Coordination, Version Control (Git)

Education

M.Sc. (Computer Science)
Pune University | 2017 – 2019

Work Experience

Software Engineer

Exela Technology | Feb 2022 – Present

- Contributed to the **Digital MailRoom (DMR)** project, automating the digitization of incoming paper mail for electronic distribution and long-term retention.
- Streamlined internal processes to enhance efficiency, decision-making, and compliance with regulatory requirements.
- Delivered workflow automation solutions, improving operational efficiencies for enterprise clients.

Software Developer

Exaltare Technology | July 2020 – Feb 2022

- Developed and maintained software applications, ensuring high code quality and functionality.
- Led the development of the **E-Sport Gaming Platform**, enabling users to create tournaments, play matches, and earn rewards.
- Designed and implemented UI/UX improvements, resulting in better user engagement.

Associate Software Engineer

Xento Systems (Entrata) | Oct 2019 – July 2020

- Designed and developed custom website modules based on client specifications.
- Worked extensively on **API development** to enhance backend functionality and support frontend systems.

Awards & Certifications

- **Extra Mile Award** | Exela Technologies | September 2022

Declaration

The above information submitted by me is true to my knowledge, and on the merits of my candidature, I hereby submit my resume for a suitable job in your esteemed organization.
