PROFESSIONAL PROFILE

I am a skilled Senior UI Designer with over 9+ years of extensive experience across diverse projects and industries. Proficient in utilizing design tools such as Figma and Adobe XD to create exceptional user interfaces. Skilled in product design, user flows, and interaction design. Proven track record of delivering high-quality designs that enhance user experiences and drive business goals. Passionate about innovation and staying updated with the latest design trends and technologies.

WORK EXPERIENCE

April 01, 2021 – April 02, 2024

LEADSQUARED, Bangalore. India (<https://www.leadsquared.com/>)

Senior UI Designer

- Designed web and mobile portals for the education sector based on client needs.
- Developed wireframes and mockups for new apps and CRM plugins.
- Created UI and product designs, handling customer modifications and advanced UI features.
- Coordinated with developers and contractors to ensure on-time product launches.

July 24, 2017 – March 22, 2021

EXCELSOFT TECHNOLOGIES PVT LTD, Mysore. India

UI/UX Designer

- Analyzed requirements and challenges, brainstormed solutions, and crafted UI mockups.
- Created assets for various projects and guided contractors to ensure timely product launches.

June 2015 – July 2017

FOCUS EDUMATICS PVT LTD, Bangalore. India

UI/UX Designer

- Designed and developed interaction flows, wire-frame, Visual mock-ups and prototypes for software and mobile application
- Worked with the team of designers, product owners and engineers to build new features and improve the current Volution platform.

April 11, 2011 – Feb 28, 2013

ROBOSOFT TECHNOLOGIES PVT LTD, Udupi, India

Graphic Designer

- Developed numerous marketing programs (logos, brochures, newsletters, info graphics, presentations, and advertisements) and guaranteed that they exceeded the expectations of our clients.
- Managed up to 4 projects(UI/Web) or tasks at a given time while under pressure to meet weekly deadlines.
- Recommended and consulted with clients on the most appropriate graphic design options based on their overall marketing goals.

Working Knowledge:

UI/UX, Web, Visual, Product Designing, User Research usability testing & prototyping. Graphic, Product Branding, Info-graphics, Print Ads.

Tools:

Figma, Adobe XD, Photoshop, Illustrator, Balsamiq

Key Projects:

Document Designer Connector (DDC) (Product) – This connector retrieves information from portals that students have completed using a predefined template created by PS members through the use of DDC tools. DDC is a drag-and-drop tool that enables PS to create forms easily by dragging and dropping, eliminating the need for coding and reducing the time required.

Outlook Connector (Product) – Connector for Outlook is an add-in through which sales users can experience some of the features right in Outlook. Through this integration, sales users can directly create new leads, update existing leads, post activities, create and update tasks on Product from their Microsoft Outlook account.

Councillor SmartView's (Product feature) –This feature helps education councillors working specifically in Small & Medium-sized Colleges or Universities, who are responsible for managing Leads & Single Application journeys exclusively. These counsellors engage with leads right from their inception and continue their involvement until the students are successfully admitted to the College or University.

EDUCATION :

CAVA (CHAMARAJENDRA ACADEMY OF VISUAL ARTS),

Mysore University Bachelor of Fine Arts (Year-2010) / Percentage (%) CGPA: 72.63%

VIVEKANANDA ENGLISH MEDIUM SCHOOL, Puttur (D.K)

SSLC (Year-2003) / Percentage (%) CGPA: 60.16%

Declaration:

I hereby declare that the above written particulars are true and correct to the best of my knowledge and belief.
