OBJECTIVE

With 2+ years of professional experience, I excel in delivering high-quality front-end solutions. My expertise lies in debugging, problem-solving, and quickly adapting to new technologies. Proficient in ReactJS, Next.js, JavaScript, and TypeScript, I bring a strong technical foundation and a passion for creating seamless user experiences.

KEY SKILLS

- **Frontend Development** : ReactJS, Next.js, React Native, Redux, Bootstrap, CSS, HTML
- **Programming Languages** : JavaScript, TypeScript
- **Version Control** : Git, GitHub
- **API Integration** : RESTful APIs, Payment Gateways, Third-Party APIs

PROFESSIONAL EXPERIENCE

Jamtech Technologies Pvt. Ltd. | Lucknow
Frontend Developer

March 2023 - Present

- Crafted dynamic and visually appealing user interfaces with ReactJS, Next.js, and React Native to deliver exceptional user experiences.
- Developed responsive web applications using modern tools like Bootstrap, ensuring compatibility across devices.
- Seamlessly integrated RESTful APIs and implemented Redux for efficient state management and robust scalability.
- Enhanced application performance by identifying and resolving complex technical challenges during development.
- Leveraged Git and GitHub for streamlined version control and effective team collaboration.
- Maintained code quality through rigorous reviews, adhering to best practices and clean coding standards.
- Proactively explored and adopted emerging technologies to elevate project outcomes and stay ahead in the industry.

EDUCATION & CERTIFICATIONS

Jamtech Technologies Pvt Ltd | Lucknow
MERN Stack Training

Dec 2022 - Feb 2023

APJ Abdul Kalam Technological University | Lucknow
Bachelor of Technology in Computer Science and Engineering

July 2018 - July 2022

PROJECTS

Akati (E-Book Web & App)

- Designed and developed an engaging Next.js web app and React Native mobile app, allowing users to access and interact with digital books effortlessly.
- Implemented dynamic data handling with RESTful APIs and enhanced user experience through reusable components and seamless state management using Redux.
- **Skills Used** : Next.js, Bootstrap, Redux, React Native, Git/GitHub, API Integration

Lucid Ocean (Educational E-Book App)

- Built a React Native mobile app for an educational e-book platform, focusing on intuitive navigation and efficient state management with Redux.
- Integrated REST APIs to deliver real-time data updates and designed reusable components to ensure scalability and maintainability.
- **Skills Used** : React Native, Redux, API Integration
