# RAZIQ M.R.

## Full Stack Developer (MERN Stack)

+ 91 7204474711    raziqsur@gmail.com    https://www.linkedin.com/in/raziq-m-r

Bangalore, Karnataka

## SUMMARY

I am a self-taught Full Stack Developer specializing in the MERN stack, with a strong passion for technology. I have experience in developing scalable web applications and leading technical teams. My journey from corporate to entrepreneurship includes founding an IT institute and creating a YouTube channel dedicated to sharing knowledge with aspiring developers.

## EXPERIENCE

### Freelance Software Consultant & Educator
**Wezlon**

Self-employed │ 01 2024 – 03 2025

- Delivered IT training sessions on web development and programming to aspiring developers.
- Created and managed technical video tutorials on YouTube, mentoring a global developer audience.
- Designed and maintained internal learning management systems using MERN stack.
