## PROFESSIONAL EXPERIENCE

### Sr. UI/UX DESIGNER, NexG

Feb 2023 – Feb 2025

- Directed and mentored a team of designers, establishing design standards and practices that align with business goals, ensuring cohesive and high-quality user experiences across all projects
- Oversaw the entire design process from conceptualization to delivery, including user research, wireframing, prototyping, visual design, and usability testing, ensuring timely and effective project execution
- Fostered strong collaboration with product managers, developers, and stakeholders to integrate user feedback and business requirements into design solutions, promoting a user-centric approach while meeting technical and business constraints

## EDUCATION

Year	Degree	Institute	Scores
2021-23	M.Sc(Maths)	DDU	8.2 CGPA
2018 - 21	B.Sc (PCM)	Subharti University	65%
