PROFESSIONAL EXPERIENCE

ReactJs Developer
Commilink Solutions OPC Pvt. Ltd. – Lucknow, Uttar Pradesh, India
March 2024 – Present

- Developed dynamic and responsive user interfaces using ReactJS, improving customer engagement and UI performance.
- Integrated React components with backend APIs to display real-time customer order data seamlessly.

- Optimized frontend performance through efficient state management (e.g., using Redux/Context API) and reusable component design.
- Collaborated with backend developers to ensure smooth data flow and alignment between frontend and backend systems.

Operations Executive
SHAIL Healthcare Private Limited – Lucknow, Uttar Pradesh, India
February 2023 – March 2024
- Managed and maintained Excel sheet data for Fujifilm CR system breakdowns and part replacements.
- Oversaw customer installation data for effective tracking and maintenance, ensuring smooth operations.
- Reviewed, approved, and rejected expense vouchers submitted by site engineers via the company's app.

Operations Executive
EduGorilla – Munshi pulia, Lucknow, India
February 2022 – March 2023
- Managed the content for exam preparation books for competitive exams like NTA, UPSC, and SSC.
- Worked closely with authors to ensure that the content was regularly updated with the latest information and exam trends.
- Assisted in overseeing the quality and timely delivery of educational materials.
