- Worked with tools like Adobe Photoshop and Adobe Lightroom.

Key Projects Handled

Rentranzact

Prototype [↗](#)

Developed a mobile app and web platform for a Nigerian real estate company, serving Renters, Landlords, and Property Managers. The website mirrors the app's features and includes corporate representation.

ReSustainability

Website [↗](#)

Created a corporate website for ReSustainability, Asia's top waste management firm, focusing on the main parent site and three country-specific sister sites. These sites showcase the company's mission, values, and initiatives, promoting sustainable waste management and collaboration.

TVS Motors: Future Accessories

Prototype [↗](#)

Redesigning the TVS Motors - Future Accessories website to enhance online browsing and purchasing of TVS accessories.

SMC India

Website [↗](#)

Tasked with developing a dual-purpose website for SMC, a leader in pneumatic technology, the site seamlessly blends e-commerce and corporate representation.

SaaS Websites

Developed several micro-sites for OrangeMantra, each showcasing different services provided by the company.
